Engineering, Pune, India)

Fifth International Conference on Structural and Civil Engineering - SCE 2018; is to bring together innovative academics and industrial experts in the field of Environmental Engineering, Civil Engineering, Geology, Structural Engineering, Transportation and Urban Engineering to a common forum. Visit the official website of SCE conference in a specific year to get more information on the respective proceedings. SCE 2018 will be held during **Oct 26-27, 2018; in Bhopal, India.**

The conference is organised by the **IDES** and the **Association of Civil and Environmental Engineers**. All the accepted registered papers will be published by the *Academica Press* and will be submitted to possible indexing in all the major indexing services like DBLP, EI, IET Inspec, Scopus, Google etc.

SCE 2018, is an international conference where theory, practices, and applications of Environmental Engineering, Civil Engineering, Geology, Structural Engineering, Transportation and Urban Engineering and related topics are presented and discussed. Original contributions are solicited on topics covered under broad areas such as (but not limited to):

Analysis of Semi-rigid Connections
Augmented and Virtual Reality
Buckling and Stability
Numerical Modeling in Geotechnics
Offshore Structures
Slope Design, Productivity
Conceptual Design Support
Structural Integrity
Distributed Computing in Engineering
Dynamics and Earthquake Engineering
Geographical Information Systems
Geotechnical Analysis and Design
Linear and Non-linear Dynamics
Model Verification and Validation
Infrastructure Life-cycle Management
Intelligent Construction Site
Construction Automation and Robotics
Modeling of Concrete Durability
Monitoring of Structures & Buildings

Energy for Building
Environment and Energy
Enviromental Modeling
Environmental Engineering
Environmental Protection
Structural Control
Foundation Engineering
Fracture Mechanics
Roads and Railways
Rock Mechanics
Lifetime Costs
Simulation and Modeling
Optimisation
Structural Engineering
Sustainability
Uncertainty Models
Urban Transport System
Dam Engineering
Urban Engineering

Prospective authors are invited to submit full (original) research papers (which are NOT submitted/published/under consideration anywhere in other conferences/journals) in electronic (Doc or Docx) format through the **CMT Conference Management System** or via email sce.chair@gmail.com
